SUCCESS CONTRACT
Conditions for Re-Enrollment at UNCG

The Office of Undergraduate Admissions has approved your application for re-admission to UNCG. It is the University’s policy that you must participate in a Success Contract, sponsored by Student Academic Services, during the Spring 2009 semester. As part of the program, you will participate in a number of discussions, be introduced to multiple tools to use as resources, and learn how to become academically successful here at UNCG. Listed below are the requirements of the Success Contract:

1. I will meet with ______________________, an advisor in Student Academic Services, one time each month (January through April) to discuss my academic progress.

2. I will meet with each of my instructors twice during the semester to discuss my academic progress and class grades. These meetings will take place prior to March 6, 2009 and April 17, 2009.

3. I will meet with a representative from one UNCG support office at least one time over the course of this semester, as directed by my SAS advisor. This meeting will take place prior to April 17, 2008. (EX: Student Success Center, Writing Center, Career Services, etc.)

4. I will attend one Fresh Start Workshop sponsored by Student Academic Services from February 16-27, 2009.

5. I will NOT register for more than 13 semester hours during Spring 2009. I understand that this limit of semester hours will continue each semester until academic good standing is restored.

6. I understand that I must achieve a minimum 2.30 Term GPA each semester until academic good standing is restored.

7. I understand that failure to meet the above requirements will result in my immediate dismissal.

Students are expected to be aware of and monitor their academic standing at all times. By signing this contract you are confirming that you understand the terms of the Success Contract program and have had an opportunity to ask questions.

Academic Standing Policy at UNCG

Failure to participate in the Spring 2009 Success Contract program and failure to restore academic good standing or earn a minimum 2.30 GPA each semester will result in your immediate academic dismissal. If you are dismissed, you must sit out for one academic year before any further appeals will be considered.

Academic Good Standing:
To be in academic good standing at UNCG, students must maintain a specific cumulative grade point average (GPA). Freshmen (students who have earned 0-29 semester hours) must maintain a 1.75 cumulative GPA. Upperclassmen (students who have earned 30 or more semester hours) must maintain a 2.0 cumulative GPA.

Calculating a GPA:
First, convert the letter grades to grade points. A+=4.3; A=4; A-=3.7; B+=3.3; B=3; B-=2.7; C+=2.3; C=2; C-=1.7; D+=1.3; D=1; D-=0.7; F=0. Then multiply the grade points by the number of hours attempted for each corresponding course. The product will give you the number of quality points earned for each course. A student's GPA is calculated by dividing the number of hours attempted into the total earned Quality Points. You can view your total number of Quality Points and GPA Hours from your UNCG transcript accessible through your UNCGenie account. Try to calculate your GPA on your own using the GPA Calculations worksheet provided.
