BOARD OF TRUSTEES
THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

April 19, 2007

INFORMATION ITEM: Report on Architects/Designers Appointed by Chancellor

BACKGROUND INFORMATION:

At the November 9, 1995, meeting of the Board of Trustees, the Board authorized the Chancellor, ex-officio, to appoint architects and engineers for projects with authorized funding of $500,000 or less, and to report all such appointments to the Board at its next meeting.

**McNutt Data Center Commissioning**

The McNutt Data Center Commissioning project will test and verify that the McNutt Data Center systems are properly functioning and are ready to accept the move of the University’s main data center from Forney. The project will also provide operational training for the IT and Facilities Operations departments and provide procedure documents for future operation and maintenance.

One local designer (Jamestown, NC) was on the short list and was interviewed.

The firm of KLG Jones was recommended to the Chancellor for this appointment because of the following reasons:

1. Relevant Data Center experience.
2. Very good organization of deliverables.
3. Experience. Commissioning is their only business.

Based on the above information, appointment of KLG Jones, Charlotte, NC was made by the Chancellor.

**EUC West Side Landscaping**

The EUC West Side Landscaping Project will improve the existing landscaping of the grassy lawn on the west side of the Elliot University Center. Improvements to this area will include earth grading; formation of earthen landscape forms; planting of trees, sod, ornamental shrubs and flowering plants.

No local designers expressed a desire to bid on this project.
The firm of Bell/Glazener Design Group was recommended to the Chancellor for this appointment because of the following reasons:

1. Familiarity with this project
2. Proposed design approach.
3. Past performance on similar projects

Based on the above information, appointment of Bell/Glazener Design Group, Raleigh, NC was made by the Chancellor.

**1200 W. Lee Street Parking Lot**

The 1200 W. Lee St. Parking Lot project will provide a new, surface parking lot with 228 spaces, a bus shelter, area lighting and emergency telephones. The lot will be completely fenced in, for security.

The firm of Efird Sutphin Pearce & Associates was recommended to the Chancellor for this appointment because of the following reasons:

1. Familiarity with this project.
2. Proposed design approach.
3. Past performance on similar projects.

Based on the above information, appointment of Efird Sutphin Pearce & Associates, Greensboro, NC was made by the Chancellor.

Reade Taylor  
Vice Chancellor for Business Affairs
