INFORMATION ITEM: Campus Recreation: High Impact Student Involvement

Since UNCG's Student Recreation Center opened its doors in 1992, more than 3.4 million people have entered the building, and many thousands have used the recreational field, pool, tennis courts, golf practice facility, Piney Lake and other Campus Recreation facilities and programs. UNCG Campus Recreation is focused on healthy lifestyles, on experiential learning, and on community-building. The programs and impact of Campus Recreation will be highlighted.
