ACTION ITEM:  Recommended Appointments/Reappointments to the Board of Directors of The UNCG Human Environmental Sciences Foundation.

BACKGROUND INFORMATION:

Nominations for members of the Board of Directors of The UNCG Human Environmental Sciences Foundation are made by the current Board of Directors. Appointments are made by the University’s Board of Trustees upon recommendation of the Chancellor.

The persons listed below are recommended for appointment to the Board, for a term beginning on November 1, 2007, and expiring October 31, 2010, unless otherwise noted.

For Reappointment to serve through October 2010:

Margaret Arbuckle  
Paul Mason  
Rosemary Smith Gaddy  
Carl O. Bass

For Appointment:

Laura Deddish Burton  
Laura is a community-minded citizen who came with strong recommendation to serve on the HES Foundation Board. She has a two-year old son enrolled in the School’s Consolidated Childcare Center and is a strong advocate for this program. Laura is an attorney for Smith Moore LLP where her practice focuses predominantly on immigration and international law. Ms. Burton regularly speaks and writes on a variety of topics relative to immigration and employment law. She was named to the Best Lawyers in America for immigration law in 2007.

Jewel Hoogstoel ’54  
Rossie Lindsey re-acquainted Jewel with her alma mater two years ago. During the past year, Jewel and her spouse have committed to a major planned gift and are currently funding their scholarship in the Department of Interior Architecture on an annual basis. Jewel brings a great wealth of board experience having been primarily associated with art museums. She was most recently employed at the Ackland Art Museum as the travel coordinator. Jewel and her spouse have become strong UNCG advocates. A sophisticated world-class traveler, Jewel is now retired and lives in Fearrington Village.
**Betsy Suitt Oakley ’69**

Betsy and her spouse Mitchell recently established a major gift which will support international travel for the students in the School of HES. Betsy is a strong advocate for the school’s consolidated childcare center; she visited the March meeting of the HES Foundation Board as a guest. Betsy will bring strong board experience to the HES Foundation and she is well known in the community and campus. She has served for over ten years on the University Planning Council.

**Dr. Dolores Davis Paylor ’79**

Dr. Paylor has served three assignments as a school principal in the Durham area. She is currently a team leader for the state Department of Public Instruction’s assistance team, which works to turn around low-performing schools. She has been involved in numerous professional organizations such as NC Association of Educators, Youth Advisory Council, International Reading Association, etc. Dr. Paylor is distinguished in the field of education and policy; her experience will help us enhance our goal of being a more diverse board.

**Dr. Sarah M. Shoffner ’62, ’64, ’77**

Dr. Shoffner is one of the most well-known and popular alums from the School of HES. She retired from the Department of Human Development & Family Studies after a career of approximately 37 years. She attends the meetings of the HES Foundation Board on a monthly basis as a member of the HES Students First Campaign Committee. Dr. Shoffner often visits alums with the Director of Development on a volunteer basis. In Spring 2006, she received the HES Distinguished Alumna Award and also addressed the HES graduates at its recognition ceremony.

**RECOMMENDED ACTION:**

That the Board of Trustees of The University of North Carolina at Greensboro approves the recommended appointments/reappointments to the Board of Directors of The UNCG Human Environmental Sciences Foundation as stated above.
