**INFORMATION ITEM:** Adult Students at UNCG: From Access to Success

**BACKGROUND INFORMATION:**

In the last decade of the 20<sup>th</sup> century, UNCG's challenge was access for adult students-making college enrollment a real option for those beyond traditional college age. And it worked-from 139 enrolled adult undergraduates in 1991 to about 2,500 by the end of the decade.

In the first decade of the 21<sup>st</sup> century, UNCG's challenge is success for adult students-making college completion the regular outcome for those beyond traditional college age. And it is working-Ms. Brooks Graham, director of the Office for Adult Students, will brief the trustees on support of, and success by, adult students.
