INFORMATION ITEM:  Potential Creation of Academic/Student Affairs Sub-Committees

BACKGROUND INFORMATION:

The creation of sub-committees of the Academic/Students Affairs Committee would provide the opportunity for closer and more frequent communication between the Provost and Executive Vice Chancellor and/or his designee(s) and the Board of Trustees. Examples of sub-committees that might be created include “How Boards Oversee Educational Quality” and “Academic Restructuring”.

David H. Perrin
Provost and Executive Vice Chancellor
