ACTION ITEM: Authorization of agreements related to the acquisition and construction of student-housing facilities in the new Village

BACKGROUND INFORMATION:

In September 2009, the Board of Trustees approved proceeding with the development of a new student residential and recreational neighborhood and approved the authorization to enter into a 30-year master lease arrangement (with one 10-year renewal option) with the Capital Facilities Foundation, Inc. for UNCG to lease up to 1,000 beds for student residential facilities and operate it as part of UNCG’s student-housing program. The Capital Facilities Foundation, Inc. was to acquire and develop the property in the Glenwood neighborhood area and UNCG was to pay to the Foundation rental for the facilities.

The Foundation is finalizing the acquisition of the properties required for the first phase of the new Village, and construction will need to begin shortly for the student-housing facilities. Authorizing agreements are necessary to be in place in order to secure bank financing and state approval for the project. This includes the Lease, Deed of Trust, Use Agreement and Assignment of Rents.

REQUIREMENT:

In accordance with the legislation contained in North Carolina General Statutes concerning the acquisition and leasing of property, action is needed by the Board of Trustees to authorize the agreements.

RECOMMENDED ACTION:

That the Board of Trustees of The University of North Carolina at Greensboro approve the following resolution:
