FCIA

The Faculty Committee on Intercollegiate Athletics (FCIA) is responsible for monitoring ICA and reporting to the Faculty Senate. Of primary concern to the committee is academic welfare of the student-athletes and the overall integrity of the ICA program. The committee shall be available to hear and act on complaints and suggestions about ICA from the faculty, students and other members of the University community. Areas of particular concern are financial aid, admissions policies, academic progress of student-athletes, equity and scheduling.

The committee meets at least two times per semester. Direction for these meetings comes from the chair who is a faculty member. Current membership includes nine faculty members, the faculty athletics representative, the athletic director, the associate athletics director of student welfare, the president of SACIA, one student from the Student Government Association and one student from the Graduate Student Association.
