BOARD OF TRUSTEES
THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

May 2, 2013

ACTION ITEM: Additional Recognition Opportunity for University Libraries

BACKGROUND INFORMATION:

Naming Authority:

The Board of Trustees previously approved spaces in the University Libraries to be named on November 20, 2008 and on December 2, 2011 based on future receipt of a designated gift amount. We now request approval to permanently acknowledge the Friends of the Library as “Builders” of the garden, provided that the $25K cost can be raised by the end of the calendar year, 2013. The garden may, at some future date, be named in honor of a major University donor.

RECOMMENDED ACTION:

That the Board of Trustees of the University of North Carolina at Greensboro approves the following level for a recognition opportunity in the University Libraries per the stipulations explained above:

<table>
<thead>
<tr>
<th>Space</th>
<th>Cost</th>
</tr>

<tbody>
<tr>
<td>Garden in front of Jackson Library</td>
<td>$25K</td>
</tr>
</tbody>
