BOARD OF TRUSTEES
THE UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

INFORMATION ITEM: Student Enrollment Report

BACKGROUND INFORMATION:

A summary of UNCG student enrollment is presented each fall. This presentation provides the status of enrollment by student segment, including freshmen, transfers, all undergraduates, and all graduate students. Specific characteristics of the student population are also presented, such as residency status, ethnic diversity, and instructional format (regular term vs. distance learners). Data will indicate that, while freshmen enrollment is relatively stable, overall enrollment has declined due to an increase in UNCG’s six-year graduation rate, a drop in student retention and persistence, and a multi-year dip in graduate enrollment. Data will indicate that these outcomes are consistent with enrollment observations in North Carolina and across the nation. Planned actions and those already underway to restore enrollment will be described.

*Historically UNCG has not counted certain types of students in its campus headcount, although they are included in the enrollment file submitted to UNC-GA. These are students who do not pay tuition directly to UNCG, such as Consortium, JMSW, ISEP, iSchool, Fast Forward, and Middle College.
