2013-2014 Fundraising Report (Jan Zink) UAC-2

Background Information

The first chart describes UNCG's 45-year fundraising history in a manner that allows the viewer to observe the effect of major fund-raising campaigns.

The second report highlights fundraising results for the period July 1, 2013 through June 30, 2014. It is presented in a format similar to that required by the Council for Aid to Education, which produced the Voluntary Support for Education report, an industry standard.
