AAC – 4 Keker First Year Common Read 2017

Background Information

The Keker First Year Common Read is designed to introduce new students to the intellectual life of UNCG. The Keker First Year Common Read, offered through New Student Transitions and First Year Experience, is an opportunity for new students to become immersed into the UNCG academic environment prior to arriving on campus in the fall. Students have the opportunity to read a common book and engage in curricular and co-curricular learning through classroom discussions and special programs.

A copy of “Behind the Beautiful Forevers”, by Katherine Boo will be provided to committee members at the meeting
