**Information Item**

ARMC-2 2016-17 University of North Carolina Finance Improvement and Transformation (UNC FIT)

**Background Information**

UNC Fit began in 2008 to address process improvements for campuses experiencing audit issues and to strengthen the financial control environment. Key Performance Indicators (KPIs) were developed for General Accounting, Contracts & Grants, Financial Aid, Student Accounts, and Capital Assets. Human Resources and Payroll KPIs are currently under development.
