Fall 2016 Athletics Update
September 20, 2016

Results From Annual UNC Intercollegiate Athletics Report to Board of Governors
Undergraduate Student-Athlete Admission Policy

• Prior to February 2015, there were three types of exceptions: Athletic, Chancellors, and Music.

• After February 2015 all exceptions became Chancellor exceptions for students who are admitted, but do not meet Minimum Course Requirements (MCRs) or Minimum Admission Requirements (MARs).

• When an admitted student meets MCRs and MARs, but falls below our campus based criteria, we note that we are giving "special consideration" to those students.

• This all aligns with UNC System policy
Fall 2015/Spring 2016 enrollment totals and MCR/MAR Exceptions

| Total number of enrolled first-time freshmen | 2850 |
| Total number of enrolled recruited freshmen student athletes | 48 |
| Total number of enrolled recruited freshmen student athletes receiving MCR/MAR exceptions | 1 |

- One (1) MAR exception for Fall 2015/Spring 2016: men’s basketball - below minimum HS GPA (2.5) requirement for admission.

*Federal rate treats all transfer students as non-graduates, regardless of their academic standing. This results in lower reported rates of graduation.

- Office of Institutional Research “flagged” course sections of 25% or greater student-athlete enrollment
- For “flagged” sections, no statistically significant difference in mean course grade between athletes and non-athletes.
