ATH – 2      UNC Intercollegiate Athletics Survey 2016-17

**Background Information**

The annual UNC Intercollegiate Athletics Report to the Board of Governors requires disclosure of the academic characteristics and performance of the UNC System's student-athletes and campus athletics department. The online survey is the primary data collection point for most of the data required by UNC Policy and Regulation. In accordance with UNC Regulation 1100.1[R], this information is shared with the Board of Trustees prior to submission.
