CARL-3.1 Introduction of New Director of Institutional Risk Management - Mark McKinney

Background Information

Mark McKinney began his appointment as Director of Institutional Risk Management on June 19 of this year. Mark comes to us after sixteen years at United Guaranty, AIG's Mortgage Insurance Company. His first ten years there were in the areas of Domestic and International Risk Management, mostly in the areas of financial and mortgage risk. His last six years were spent with various compliance, institutional reporting, and operational risk oversight responsibilities.

Mark has been a Greensboro resident since 1985, including his time at UNCG where he earned his BA Economics ('91) and MA Applied Economics ('96). Additionally, he was awarded a Joseph Bryan Academic Fellowship in 1991.

Mark lives with wife Ginger (UNCG BS Finance '95), and daughters Katie (14) and Meredith (11), and is happy to have the opportunity to serve UNCG.
